ANSWER

**MINISTER OF STATE IN THE MINISTRY OF HOME AFFAIRS
(SHRI NITYANAND RAI)**

(a) to (d): The primary responsibility of disaster management, including undertaking disbursement of relief to affected people, rests with the State Governments. The Central Government supplements the efforts of the State Governments and provides requisite logistics and financial support. For providing relief to the affected people in case of 12 notified natural disasters, State Disaster Response Fund (SDRF) is placed at the disposal

of the State Governments. Additional financial assistance is provided from National Disaster Response Fund (NDRF), as per laid down procedure in case of disaster of 'severe nature', which includes an assessment based by an Inter-Ministerial Central Team (IMCT). The Guidelines on Constitution and Administration of National Disaster Response Fund (NDRF) is available on website at https://ndmindia.mha.gov.in/images/NDRFSDRF_06042017.pdf. There is no State-wise allocation of funds under NDRF.

Based on the Memorandum submitted by the State Governments in case of disaster of 'severe nature' and assessment by the IMCTs, the details of amount released by the Central Government to States from NDRF during financial years 2018-19 to 2020-21 (as on 15.03.2021) are at Annexure.

(e): There are institutional mechanisms at the National and State level in the country to develop appropriate preparedness, and prompt response mechanism for effective management of natural disasters, including mobilizing resources, taking necessary measures to educate people at the time of natural calamities, which include increasing awareness/ forewarning/ mock drills on various calamities/ sensitizing people involving the stake holders.
